Sailor Name	West Kirby (0)	West Wittering (1)	Worthing (1)	Eastbourne (0)	Weymouth 1 (0)	Weymouth 2 (0)	Total	Nett	Rank
Luke Williams	1	0.7	0.7	1	1	1	5.4	3.4	1

Junior U15

Sailor Name	West Kirby (2)	West Wittering (2)	Worthing (2)	Eastbourne (0)	Weymouth 1 (0)	Weymouth 2 (2)	Total	Nett	Rank
Ike Bradley-Baker	0.7	0.7	0.7	2	2	0.7	6.8	2.8	1
Lucas Meldrum	2	2	2	2	2	2	12	8	2
Harry Davies	2	2	2	2	2	2	12	8	3

Notes

Figures in brackets below the event location are the number of competitors in that fleet at that event. The scoring method for the UKWA Freestyle Events and Tour is set out in sections 11 and 12 of the Notice of Race. These sections are reproduced below for ease of reference:

11 SCORING

- i. The Event Committee will be responsible for appointing a Judging Panel for each Event. The Judging Panel will always include a Head Judge and at least one other judge.
- ii. The Sailing Instructions will set out how the judging of heats will be carried out by the Judging Panel at that Event.
- iii. An elimination round will be deemed complete for a fleet provided the last 4 competitors have been identified and at least one heat has been completed.
- iv. Each sailor in a completed elimination round shall be scored with points as follows. Scoring is on a low number best basis.

Position	=	Points
1	=	0.7
2	=	2
3	=	3
4 etc,	=	score as per position
DNF	=	number of entries in fleet
- v. If any positions are tied points shall be aggregated and shared equally. (I.e; 5/6 position would be $5+6 = 11$, divided $\times 2 = 5.5$)
- vi. Each competitor's event score shall be the total of their elimination series scores, with the number of their worst scores discarded as follows:

1 – 3 elimination rounds;	No discards
4– 7 elimination rounds;	1 discard
8 – 11 elimination rounds;	2 discards
12 elimination rounds	3 discards
- vii. The maximum number of elimination series in any day is four.
- viii. The maximum number of elimination series in any Event is 12.
- ix. A registered competitor's score in an event where there has been a completed elimination round will, for the purposes of that competitor's overall Tour ranking, be the points based on their position as set out in paragraph 9 iv. above.
- x. At any event where no elimination round is completed, all competitors who have registered to compete at that event in accordance with this Notice of Event and have paid the requisite entry fee shall be awarded an event score for the purposes of determining their overall Tour ranking as follows:

- In the case of the Pro Fleet, a score equivalent to a number comprising the total number of sailors who have registered to compete in the Pro Fleet at that event
 - In the case of the Amateur Fleets, as above but comprising the number of sailors who have registered to compete in their division at that event.
- xi. Non entrants to any event, whether completed or not, shall for the purposes of determining their overall Tour ranking, receive a score equivalent to the maximum number of registered entrants in their fleet or division at any event in the Tour run in 2013. By way of example, say:
- a competitor fails to enter Event 1 in the Tour where there are 3 registered entrants in the division or fleet they normally compete in,
 - the competitor enters and registers at every other Event in the Tour that is run,
 - at Event 4 there are 12 competitors in the division the competitor normally competes in
- then the competitor will receive a score of 12 for Event 1 that they did not enter.

12 NATIONAL UKWA FREESTYLE TOUR SCORING

- i. Every event run in the Tour will count towards the National Championships, including those where no elimination round is completed.
- ii. If four or more Tour events are run a competitor's worst event score shall be discarded.
- iii. If six or more Tour events are run a competitor's two worst event scores shall be discarded.
